MKS PAMP Partners with The Singapore Mint to Launch Signature Lion Bullion™ Gold Bar, Trademarked by The Singapore Mint

Geneva, 30 September 2025 – MKS PAMP, the leading precious metals company, announces its collaboration with The Singapore Mint to produce The Lion Bullion™ gold bars, the signature design trademarked by The Singapore Mint. This inaugural series combines the globally recognized standards of Swiss refining and minting excellence with the highest standard of quality assurance, backed by The Singapore Mint.

The Lion Bullion™ gold bars are available in several sizes, ranging from one gram (1g) to one kilogram (1kg). The minted bar features distinctive lion motif signature design and can only be purchased in Singapore through The Singapore Mint.

“We’re proud to collaborate with The Singapore Mint on Lion Bullion™, a series that embodies precision and delivers globally recognised standards of investment security,” said Omar Liess, Chief Commercial Officer of MKS PAMP. “This partnership supports our broader mission to expand access to trusted, responsible precious metals across Asia, and to meet the rising demand for physical gold among private and institutional investors alike.”

Security, Quality, and Trust

Every Lion Bullion™ gold bar is crafted to the highest standards of Swiss excellence and 999.9 purity, and benefits from industry-leading security features such as individually sealed, tamper-proof packaging and unique serialisation for authentication.

Expanding Global Access to Precious Metals

MKS PAMP’s role in this launch underscores its mission to make physical gold ownership accessible and secure for investors around the globe. By integrating manufacturing expertise with The Singapore Mint’s distribution network, Lion Bullion™ offers investors an unprecedented combination of Swiss precision, and global investment credibility.

Lion Bullion™ gold bars are The Singapore Mint’s exclusives. For more information, please visit www.lionbullion.com.sg.
